Specialized Training:

Work Experience: (Experience is not required, but helps us to best match the needs of our organization and the Intern) Please feel free to add additional pages if necessary.

Describe any gardening or related experience you may have:

List any other work or volunteer experience in the past 5 years:

Date you can start Internship:

Date Internship would end – October 31, 2016

Goals & Objectives:

What are your goals/objectives for an Internship with The Lord's Acre? Note any specific areas of interest.

Much of what you will learn happens while we are working or talking. How do you feel about hands on/ experiential learning?

What should people who will work with you in a close, physically demanding setting know about you?

What kind of work conditions suit you best? (Time of day, level of supervision, task list, etc.)

Please tell us something interesting about yourself (hobbies, accomplishments, ambitions, etc.)

This work is the focus of our household community. How do you feel about working and living with the same community of people?

List some strengths and weaknesses.

Conditions:

Are you in good health and able to do strenuous work? Are you able to lift at least 50 pounds?

This internship requires commitment through the entire season. Does this meet your objectives?

Do you have sufficient financial means to meet your obligations during your Internship?

Do you have any allergies or food restrictions?

Do you have any physical limitations that might affect your work?

List two references that we may contact. At least one if not both of these references should be people you have worked for/within a non-academic setting.

Name:

Phone #:

Name:

Phone #:

Have you ever been convicted of a felony, have a criminal record or any vehicle/driving violations?
Are you registered with any law enforcement agency?

Do you have a valid driver's license? _____ From which state? _____

Interns who do not have their own transportation (bicycles are not effective transportation where we live) will find it challenging getting to and from paying jobs and social events.

If you have additional questions regarding this Internship, please feel free to email regarding additional questions. susan@thelordsacre.org

Submitting this application does not guarantee an Internship position. We do our best to match the goals of the applicant to the needs of this project. Not all applicants are accepted due to various reasons.

Thank you for your application to the Lord's Acre.
